Color Theory

- Blue is the color of the sky.
- Green is the color of the grass.
- Red is the color of fire.
- Orange is the color of the sunset.
- Yellow is the color of the sun.

Design Seeds:

- Create a setting of areas for different uses.
- Consider the use of plants and natural materials.
- Use colors for positive associations outside the walls.
- Children's play areas should be safe and inviting.
- Use natural materials and colors for the children's play areas.
