**THEME**
The mountain range of the 14ers in Colorado is intended to teach children about the natural environment in which they live. It provides the opportunity to learn about geology, geography, and natural processes.

**GOALS**
- To provide more play equipment for different age groups
- To increase safety for play, dealing with ongoing safety issues, providing ADA accessibility, and getting the community involved through interactive programming.

**OBJECTIVES**
- To provide access to all community involved through interactive programming.
