Sarah Maas-Civitas | Denver Public Schools - UCD LA 6606 Learning Landscapes
mounded tuff play and seating area

terraced synthetic turf seating area

seating area with marble, sandstone, and granite inlays. Colorado animal footprints sandblasted into concrete.

mounded planting beds with lavender (scent), rosemary (taste), little blue stem (sound), rustic logs (touch). Musical elements also create sound and a learning experience.

shade structure will be made of steel and mimic entry feature designs created in collaboration with a local architect.
